

Crossover Cover Click (Ref: 73054500)

1/2

Description

Metal cover for the protection of cables in the Click Crossover. Width 500 mm, With INOX protection system, I304 finish. It has a press-fit assembly system. Made of steel and available in various sizes and Protection Systems.

Advantages

The ends have an overlap to improve the fit with straight lids.

Available in all sizes and protection systems: PG, GC and stainless steel AISI304 and AISI316.

Press-fit click system requiring no additional parts.

Applications

It is used for the protection of wiring in the installation of Pemsaband® One perforated and solid tray installations where the Click Crossover is used for installations in public buildings, infrastructures and civil works, tertiary sector and industrial applications.
